5. **Use your Parking Ticket to enter the garage.**
6. **Leave and enter the garage during your stay as many times as you want.**

## FAQ - FREQUENTLY ASKED QUESTIONS

### Should I buy the Parking Ticket at the reception?

Yes. It is cheaper and you can leave and enter the garage throughout your stay.

### How long is one Parking Ticket valid for?

Every Parking Ticket is valid for 24 hours. You can get multiple tickets at the reception.

### Is it possible to exit the garage and re-enter it with the Parking Ticket?

Yes, it is possible. Just use the same Parking Ticket again.

### How do I pay an outstanding balance, if the validity of the Parking Ticket is exceeded?

You can purchase another Parking Ticket at our reception. In case you have already checked-out, pay at the pay machine.

### When does the parking time start?

The parking time starts with the first entry of the garage.

### Who can help, if no garage staff is present?

Please go to the pay machine and press the push-to-talk button. You will be connected directly to the customer centre (around the clock).
